

TimberClean Daily™

Daily spot cleaner that effectively cleans wood floors without damaging the finish or penetrating the wood.

WHY TIMBERCLEAN DAILY: RESIDUE-FREE FORMULATION

DRIES QUICKLY TO PREVENT
WATER DAMAGE

ENVIRONMENTALLY PREFERRED

DIRECTIONS

1. Vacuum or sweep the floor, making sure to remove all loose debris.
2. Spray a light mist of TimberClean Daily directly onto the portion of wood floor that is soiled, or spray TimberClean Daily directly onto the mop cover or microfiber pad that will be used for cleaning.
3. Use the mop or microfiber pad to apply the cleaner to the floor in a back and forth motion. Work in small areas, being sure to finish one area before moving to the next. Rinse the mop or cleaning pads often to avoid streaking. Replace pads and the mop head as needed.

TimberClean is safe for use on wood floors finished with a polyurethane or acrylic wood coating. Do not use on floors coated with paste wax.

Read all directions and Safety Data Sheet (SDS) before using.
