# LVT

## Pioneer Eclipse LVT Complete Care Program

**Luxury Vinyl Tile (LVT)** is a popular flooring choice that can be cost effective and versatile in terms of design and color options. LVT flooring is considered durable, low maintenance, and easy to clean.

A common reason to buy LVT is to avoid the coating and stripping cycles to save money - based on the misconception that “no maintenance is required”. However, a **low maintenance program of cleaning, protecting and rejuvenating is recommended and beneficial** to extend the life of the floor surface.

### Understanding LVT

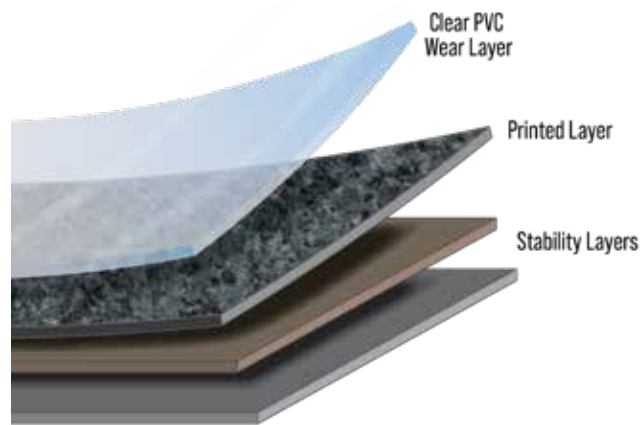

Luxury Vinyl Tile is manufactured to look like real stone, tile, natural wood, as well as providing endless design color and texture options while offering more practical benefits such as:

- Relatively low cost
- Ease of installation
- Low maintenance compared to other floor types
- Long lasting durability

### LVT is made with a series of layers COMPRESSED together:

- Clear PVC wear layer to protect the design layer from everyday wear and tear
- High-Definition photographic printed layer for the design
- Stability layers to help the flooring lay flat and level

**Properly maintaining the wear layer** of LVT preserves the floors appearance and extends its life. The processes of cleaning, protecting and rejuvenating LVT are the same as other resilient floor types, however, the right chemicals must be used. The goal is to extend the life of the wear layer without damage or discoloration.

### Cleaning

Neutral pH cleaner to remove embedded dirt and soil that can cause scratches, extending the life of the finish and/or wear layer.

#### LVT Daily Neutral Cleaner

A powerful neutral cleaner ideal for daily use or periodic deep scrubs.

- Film free, low foaming
- Specifically formulated for LVT
- Removes oils and grease
- Effectively cleans without damage or discoloration

ITEM #	NAME	CASE PACK
303FS	LVT Daily Neutral Cleaner	2 - 2.5 US Gallons / 9.5 Liters
303MPE	LVT Daily Neutral Cleaner	4 - 1.06 US Gallons / 4 Liters

### Protecting

A cleaner/maintainer applied periodically as a sacrificial wear layer to protect flooring from scratches and degradation.

#### LVT Floor Maintainer

A multi-purpose product that helps reduce the labor needed to maintain coating.

- Maintains coating elasticity, prevents cracks and chips
- Conditions flooring — fills in minor scuffs and scratches
- *PFAS Free* — contains no fluorocarbons
- Available in high gloss finish and matte finish

ITEM #	NAME	CASE PACK
216HGFS	LVT High Gloss Maintainer	2 - 2.5 US Gallons / 9.5 Liters
216HGMPPE	LVT High Gloss Maintainer	4 - 1.06 US Gallons / 4 Liters
216MFS	LVT Matte Finish Maintainer	2 - 2.5 US Gallons / 9.5 Liters
216MPE	LVT Matte Finish Maintainer	4 - 1.06 US Gallons / 4 Liters

### Rejuvenating

Low maintenance coatings that protect the wear layer and improve clean-ability. Use to repair badly worn flooring or on new flooring to prevent scuffs, scratches and routine wear.

#### LVT Floor Coating

A true no-buff finish with outstanding resistance to scuffs, scratches, and heel marks.

- Repairable, resists dirt embedding
- *PFAS Free* — contains no fluorocarbons
- **Gloss sheen available**
- High gloss with or without burnishing
- **Matte sheen available**
- Contains *nano-ceramic* technology
- Won't develop glossy traffic patterns like traditional matted floor finishes

ITEM #	NAME	CASE PACK
106HGFS	LVT High Gloss Coating	2 - 2.5 US Gallons / 9.5 Liters
106HGMPPE	LVT High Gloss Coating	4 - 1.06 US Gallons / 4 Liters
106MFS	LVT Matte Finish Coating	2 - 2.5 US Gallons / 9.5 Liters
106MMPE	LVT Matte Finish Coating	4 - 1.06 US Gallons / 4 Liters

#### LVT Low pH Floor Stripper

A low pH extra strength stripper specifically formulated for use on LVT without damaging or discoloring the PVC wear layer.

- Excellent stripping performance
- Will not damage or discolor LVT when used according to directions
- Okay to use in occupied space

ITEM #	NAME	CASE PACK
522FS	LVT Low pH Floor Stripper	2 - 2.5 US Gallons / 9.5 Liters
522MPE	LVT Low pH Floor Stripper	4 - 1.06 US Gallons / 4 Liters

These recommended Pioneer Eclipse floor care products are safe to use on most adjoining floor types of either resilient or hard floor materials. This information is based on internal testing and best use practices. No guarantee is expressed or implied.
