Part #	Description	225FP17	225FP20	225GP16	250MFP	250MGP	FM1700	FM2000	Top View	Bottom View	
MP481100	16" Pad Driver	●		●			●				Low cost pad driver designed for use in wet applications
MP478400	19" Pad Driver		●					●			Low cost pad driver designed for use in wet applications
10242A	Driver Pad Assy	●					●				Driver for use with thin pads during dry applications
SA031900	Hydrashine Kit			●				●			Perfect for use for polishing decorative floors. Can be used in wet of dry applications.
SA039700	16" HydraSand 5 Kit	●		●	●			●			Great for sanding hard wood floors.
SA035400	20" HydraSand Kit							●			Great for gym floor prep.
56383926	16" Removal Tool	●		●	●		●				Best for when you need to remove a layer(s) of coating
56383930	16" Concrete Prep-25 Grit	●		●	●		●				Use when prepping the surface for applying coatings or adhesives.
460908	16" Polish Brush	●		●			●				Designed to polish hard surfaces
460918	16" Wire Brush	●		●			●				Can be used for removing coating and prepping the surface to apply coating
37008A	16" Supergrip Pad Driver	●		●			●				Durable driver with dampening technology for smooth operation that can be used for both wet and dry applications.
●	Standard with Unit
