

Ultra MSC

DETERGENT-FREE GRIME FIGHTER

**Pioneer
Eclipse**
An AMANO Company

Ultra MSC Cleans Detergent-Free!

"So what?" So *this*... Cleaners with detergent can leave behind a residue. When you're done cleaning, any detergent residue, not washed away, attracts more dirt.

That means an area cleaned with detergent gets dirty... *again*... quicker! You're right, it does sound like an evil plan.

Ultra MSC cleans **without detergent**.

It doesn't attract — Ultra MSC attacks! It attacks dirt and grime at the molecular level, breaking up smudges and stains into super tiny bits. Bits so small, they don't matter at all.

Multi-Purpose/Multi-Surface Cleaner

Removes dirt, oils and stains from pretty much anywhere.

Detergent-Free

Odor-Free

Leaves No Residue

Non-Foaming

Environmentally Preferred

No oxidizers

No bio active ingredients

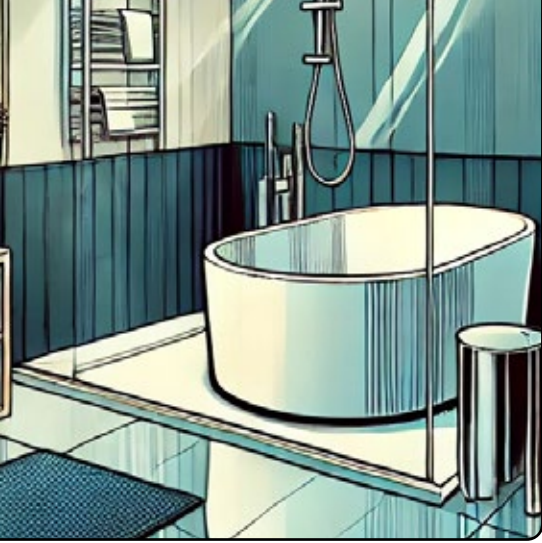

No enzymes
