

Looking Glass™

AMMONIATED NON-STREAKING GLASS CLEANER

Concentrated and cost effective glass cleaning formula. Designed with a monomolecular film to prevent resoiling. This non-filming cleaner is ideal for stainless steel.

DIRECTIONS

Read all directions and Safety Data Sheets (SDS) before using.

Dilute 1 part concentrate with 20 parts water. Apply fine mist of diluted product with atomizing sprayer to any glass surface, and dry and polish with soft, lint-free cloth. Best results can be obtained using two cloths, one for drying and one for polishing. Can be used safely on all glass surfaces. DO NOT USE ON WOOD FURNITURE.
