DIRECTIONS

Read all directions and Safety Data Sheets (SDS) before using.

General Cleaning & Deodorizing: This lemon cleaner is effective when used according to directions for cleaning and deodorizing hard surfaces such as floors, walls, bathroom fixtures, kitchen appliances, utensils and food processing equipment.

Floors & Walls: Use 3-4 ounces of product per gallon of water (1:40) for average soil. Mop or wipe on surfaces to be cleaned.

Garbage Containers: Use 6-7 ounces of product per gallon of water (1:20). Spray entire container. Repeat if necessary. To prevent problem odors, clean frequently.

Restrooms & Kitchens: Use 4-5 ounces of product per gallon of water (1:30). Effectively cleans and deodorizes toilets, tubs and tile. Leaves everything bright and clean. Odors disappear instantly.
