

Sentinel™

SYNTHETIC MOTOR OIL SAE 10W-30

Sentinel Synthetic Propane Engine Oil is designed to be used on Pioneer Eclipse machines. Specifically formulated for small, hot-temperature engines, Sentinel promotes better engine life.

Sentinel Oil will extend oil change intervals from every 50 hours (standard with conventional oil) to every 250 hours.

FEATURES

Long life formulation to provide an extra measure of protection between oil changes.

Commercial Grade Formulation.

Sentinel Oil has a naturally high viscosity index and does not contain paraffin.

Read all directions and Safety Data Sheets (SDS) before using.

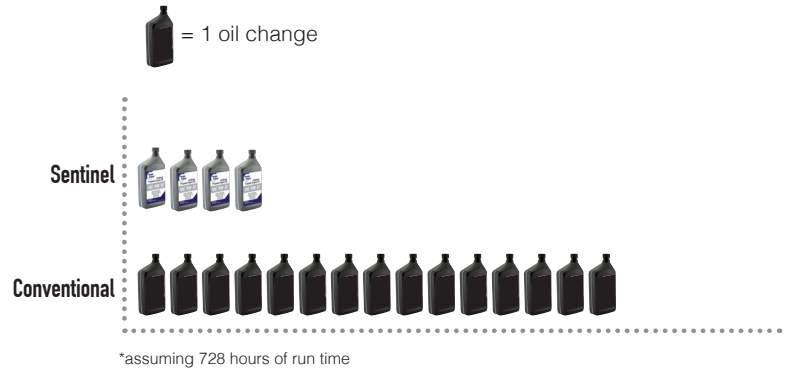

PRODUCT INFO

Product Code MP507700

Volume 1 Quart/0.946 liters

Shipping Package 12 x 1 Quart

AVERAGE NUMBER OF OIL CHANGES IN A ONE YEAR PERIOD*

ANNUAL OIL CHANGE COST**

	Conventional		Sentinel	
		15 oil changes		4 oil changes
oil	\$5.88	\$176.40	\$6.95	\$55.00
filter	\$9.80	\$147.00	\$9.80	\$39.20
labor	\$25.00	\$375.00	\$25.00	100.00
Total		\$698.40		\$194.80

**Burnisher operated 2 hrs/night, 7 days/wk

**728 hrs/yr

**\$25 for oil change service labor

**Replace oil filter with every oil change

Savings
\$503.60

TECHNICAL DATA

Description	Synthetic Motor Oil
Appearance	Amber liquid
Viscosity (Kinematic)	0.086 to 0.105 cm ² /s (8.6 to 10.5 cSt) (100oC) 0.466 to 0.621 cm ² /s (46.6 to 62.1 cSt) (40oC)
Fragrance	Mild hydrocarbon
Melting point/ Pour point	-53 to -47°C (-63.4 to -52.6°F)
Density	0.854 to 0.8633
Flash point	Open cup: 226 to 230°C (438.8 to 446.0°F) [Cleveland.]
Container	1 Quart/0.946 L
